SUCCESS

Initially we had problem in approaching the community to organize awareness programme , now they are showing interest to listen. The acceptance and corporation from the slum community for educational programme and awareness programme was increased. We got good support from the Secondary state holders like the community leaders, women group leaders, local leaders, councilors and nearby shops etc.

CONCLUSION:

Proud to say, in the year 2006-2007 , our organization done a satisfactory achievements. The most significant achievement under the programme has been in social status of women & children, HIV/AIDS, cancer activities etc, SHG members are now recognized by their family members and by villagers (increasingly among men folk), women with a common mission, unity and civic sense. Human Welfare Trust has teamed up well with community based organizations & Government organizations in bringing awareness on important issues of local relevance eradication of illicit arrack, help for widows, deserted women and the aged, prevention of early marriage, cultural growth, etc.

We are very much thankful to the donors, well wishers and volunteers for their support and co-ordination extended to us during this year.
